Siddharth Karamcheti	
Response Rate	7/312 (2.24%)

• Conceptual understanding

• wonderful wonderful wonderful

• not much

• general approach to problem solving

• Sidd is an amazing CA. I mostly interacted with him in two capacities: he mentored my extra credit project and helped me resolve a couple of issues I was having during the course. Sidd was always incredibly understanding and fast to respond. He also gave us great advice on the extra credit project; we came to him with a partially formed idea, and he pivoted us in a direction that was very successful. I am excited to hopefully take more courses that Sidd is the head TA for as I am confident that they will be great courses!

• Explained the big picture, very clear and concise with language

• Super nice and patient TA during office hours, always looked forward to seeing him on Mondays.
